EASY TO CONVICT UNDER NEW STATUTE

Evidence of Accomplices, Unsupported By Other Witnesses, Sufficient Under Allison Act.

Austin, Tex., Aug. 25.—Section 16: A conviction for a violation of any of the provisions herein may be had on the unsupported evidence of an accomplice or participant, and such accomplice or participant shall be exempt from prosecution for any offense under this law about which he may be required to testify.

This is one of the sections of the amended Allison Liquor law which has been enacted by the special session of the legislature and which act becomes effective within 90 days after adjournment of the legislature. This law is conceded to be one of the most drastic prohibitive liquor measures ever passed by the Texas legislature.

The act prohibits the interstate as well as intrastate shipments of intoxicating liquor into dry territory. This may be the cause for declaring portions of the act unconstitutional.

Another drastic feature is the one which makes it unlawful for any firm or corporation or person to solicit or take orders for liquor in any county or subdivision that is dry, by letter, circular or other printed or written matter.

RESINOL CURED AWFUL PIMPLES

Whole Face Covered, Now Clear.

Brooklyn, N. Y.—"I was troubled with two or three pimples coming out on my chin. In a week or so my whole face was covered with them. Friends advised me to use different lotions and salves. I tried them, but they did me little good, if any. I finally washed the pimples with Resinol Soap and applied Resinol Ointment before going to bed. In the morning I found the swelling going down, and the inflammation gone from the pimples. I tried this treatment for about a week, and found that most of the pimples had disappeared. I kept the treatment up for about a month, and then my face was clear of all pimples. I have used Resinol Soap since, and find that the pimples do not come back." (Signed) Walter A. Stenstrom, 54 Willoughby Ave., Oct. 9, 1912.

Resinol positively stops itching instantly and speedily heals eczema, and other skin humors, dandruff, sores, burns and piles. Resinol Ointment and Resinol Soap are sold by every druggist. Trial free: Dept. 11-P, Resinol, Baltimore, Md.—Advertisement.

SERGEANT MANLY IS SERVING SENTENCE

Austin, Tex., Aug. 25.—According to information obtained from the adjutant general's department, sergeant J. D. Manly, the Texas national guardman, who was convicted for the killing of Louis Richenstein at Dallas several years ago, during a visit of president Taft at Dallas, is now serving his two years' sentence at the Huntsville penitentiary.

After several trials, Manly was finally given a term of 40 years in the state prison, and pending an application for a pardon, he was paroled by the governor in order that he might visit a sick member of his family. Instead of granting Manly a full pardon, the governor reduced the sentence to two years.

Look Out For Poison Ivy

Strolling through the woods or clearing brush, picnickers, hunters, fishermen—look out for poison ivy. And in the meantime keep your blood pure by using S. S. S. If your skin is rough with eczema, pimples or any other eruption, S. S. S. stimulates the fine network of blood vessels in the skin to dry up and heal all sore spots.

S. S. S. will do this positively. It stimulates the cells of the skin to select their own nutriment from the blood, made pure and healing by the wonderful medicinal ingredients of this famous blood purifier. It is a safe remedy, as it contains no minerals, and yet its action is a marvel.

You can get S. S. S. in any drug store, but insist upon having it. The Swift Laboratory in Atlanta, Ga., prepares this famous blood purifier, and you should take no chance by permitting anyone to recommend a substitute. And if your blood condition is such that you would like to consult a specialist freely, address the Medical Dept., The Swift Specific Company, 186 Swift Bldg., Atlanta, Ga.
